

Paper Processing Rotating Equipment Replacement Parts

ITT

Finally, One Company, ITT ProCast, Can Pull It All Together To Give You What You Demand In Replacement Parts

What You Demand in Replacement Parts...

OEM Quality

- High Quality Parts meeting the exacting demands of today's Paper Maintenance Benchmark standards.
- Parts that Meet or Exceed OEM Standards.

Price

- Economical - helping you control cost in an extremely competitive environment.

Selection

- Extensive catalog of drawings and patterns for replacement parts you buy on a regular basis.
- Extensive Inventory for High Wear Parts.

Delivery

- Short Lead Times.

What ProCast™ Offers...

OEM Quality

- ProCast controls all aspects of production to include reverse engineering, pattern making, casting, machining and quality control, inventory and shipping. This assures only the highest quality, cost control and the ability to manage critical lead time requirements.
- Quality controlled to ISO Standards. 100% dimensional inspection performed on all parts produced.
- Being part of the ITT Fluids Family "raises the bar" requiring us to adhere to the strictest OEM standards. The ITT association also provides us with access to the latest hydraulic technology.

Price

- Pricing significantly below OEM levels.

Selection

- Parts inventory for many well known OEM's.
- Over 12,000 machine drawings and 2,100 active patterns.

Delivery

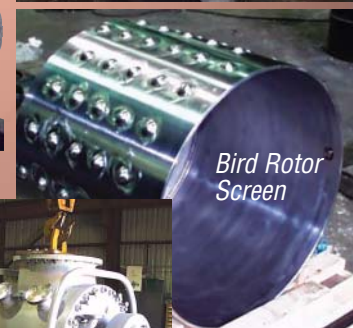

- Faster lead times than most OEM's.

Reverse Engineering:

Latest technology in Reverse Engineering, including coordinate measuring machines and related software to assure precision replication of all cast components, regardless of shape. On-site capability.

ProCast Parts:

High Pressure Feeders

What You Demand in Replacement Parts...

Full Service

- Parts Re-Engineered, Hydraulically Re-rated or Upgraded to extend component life.
- On-site Reverse Engineering Capability.
- Emergency Breakdown 24/7/365 Service.

Expertise

- Sales/Service Reps who know and understand rotating equipment.
- Assistance where and when you need it.

Warranty

- Guaranteed Performance.

What ProCast™ Offers...

Full Service

- Captive Foundry and Integrated Pattern Shop - we have our own stainless foundry and pattern shop offering many types of alloy steel, nickel alloys and carbon steel.
- Expedited overnight delivery available for emergency breakdowns.
- Rapid pattern Manufacturing - reducing pattern manufacturing cycle time and cost.
- Severe wear solutions.
- Parts Re-engineered, hydraulically re-rated or upgraded to extend component life.

Expertise

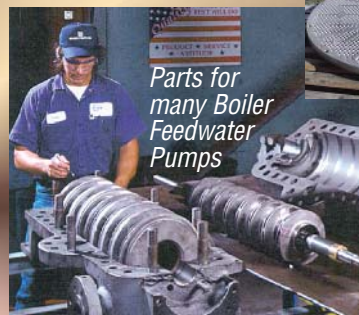

- Professional/knowledgeable sales and service reps worldwide.

Warranty

- One Year Warranty on all parts.

Kamyr MC Impellers

Pulper Rotors & Blades - All types

Vertical Turbine Parts - All Types - All Sizes

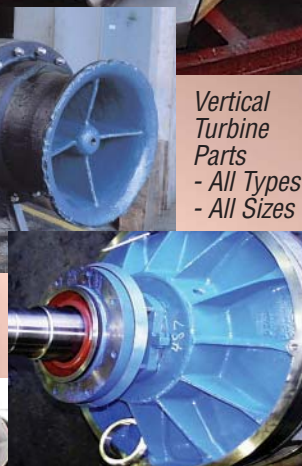

Kamyr Mixer Rotor Assembly

Beloit Bearing Housing - Stainless All sizes

Knotter Shafts & Sleeves

IMPCO High Shear Mixer Stuffing Box

Beloit Refiner Rotor

Parts For Ahlstrom APT/APP Pump

Agitator Housing & Other Parts

Refiner Rotor

We Deliver Quality Parts, Cast in Your Choice of Materials, and Machined to Original Manufacturer's Specifications

MATERIALS

A890 GR3A	2205
Aluminum	303 SS
Bronze	304 SS
Cast Iron	304L SS
Ductile Iron	316 SS
Nickel	316L SS
Cast Steel	317L SS
Alloy 20	317L SS
CA6NM	329 SS
CD4MCu	410 SS
Hastelloy	416 SS
Inconel	420 SS
Monel	Stellite
17-4PH	Titanium
Double Stage Nitride	

MANUFACTURERS

Ahlstrom*	Fairbanks-Morse	Rex
Beloit	Flowserve	Sandy-Hill
Beloit-Jones	Galigher	Sarco
Bingham	Hazelton	Sunds Def.
Bird Machine	Hymac Corp.	Sulzer
Black-Clawson	Impco	Tampella
James Brinkley	Ingersoll-Rand	Pfaudler Works
Buffalo Forge	Johnston	Valmet
Byron-Jackson	Kamyr	Voith
Chicago Pump	Lamb-Grays	Warren
Crane-Deming	Lawrence	Wemco
Dean Bros.	Layne Central	Wilfley
Durco	Lightnin Mixers	Wilson-Snyder
Elmco	Moyno	Worthington
Elliot	Peerless	
Esco	Phil. Gear Works	

* Ahlstrom/Sulzer Parts for Models - APT/APP, MC, LRS, EPT, EPP, ERS, KEST, Z Model

Worldwide Capability

- ISO Quality Processes
- 3 Decades of Pulp & Paper Experience
- Material Upgrades Available
- Supported by the World's Largest Pump Company

Whether you are in the Southeastern USA or Southeast Asia, ITT ProCast has a worldwide network of service centers to care for your replacement parts needs.
